MONTMORENCY
SECONDARY COLLEGE

18 December, 2023 Newsletter No. 7

FROM THE PRINCIPAL

Congratulations to the Class of 2023!

As Term 4 and 2023 draws to a close, we are delighted to receive the results for the graduating class of 2023. As always, we are proud of their efforts and ultimately, their achievements.

- 6.6% of study scores over 40.
- A perfect score of a 50 in PE.
- And a median study score of 30.
- 16 students attained ATARs in the 90's.
- And our dux, Sebastian Esposito attained a study score of 98.5

College Dux
Sebastian Esposito

We are so very proud of the achievements of our students and cohort, and celebrate the success with staff, families and students.

The Addams Family

What a roaring success the performances of the Addams Family were! Congratulations to all staff and students involved in this incredible high quality performance. The acting and singing was superb, including the role, character and depiction throughout. We are so pleased to have been able to showcase our students to the various Primary Schools in dress rehearsals, and perform to a broader audience.

Special thanks goes out to Jason Mill, Sharon Cooke, Claire Hale, Jayden Stenton and Mark Lohrey for their major roles in the preparation and performances. We also note that we wish Jason Mill all the best in his future endeavors as he moves to Grovedale to explore new work opportunities and time with his family.

Compass

We have nearly reached one year of working with and using Compass, and as we become more adept with its system, we will employ more and more features. In 2024, you can expect to see some of the following:

- **SMS attendance notifications**, including parent engagement to log in and lodge student absences
- **Learning Tasks** – for parents to view more student learning feedback
- **Reports** – a move to continuous and 6 weekly cycle reporting to ensure more regular and routine feedback on learning, behaviours and work habits to students and their families

Retirements

After many years in education, the following staff members have decided that it is now time to begin the next chapter of their lives. Congratulations on a vast and impactful teaching career. We wish you all the best:

- Cathy Dunstan – English
- Ian Toohill – Arts, Photography, Media

Cathy Dunstan

Ian Toohill

Farewells

Farewell to the range of staff that are heading off to explore new opportunities and expand their horizons in other settings, and we may see them back at some stage!

- Michael Lilly – Chemistry
- Zoe Mannalack – Maths & Science
- Andrea Augustou – English & Humanities
- Chelsea Powell – Legal Studies
- Jess Foley – Humanities & Business Management (Family Leave)
- Kathryn Townley – English & Humanities
- Christian Ratnayake – Maths & Science, Psychology
- Jason Simmons – Humanities & Economics
- Jason Mill – Drama & Theatre Studies
- Jesse Franklin – Maths
- Tom Mahoney – Maths, Psychology
- Zoe Manalack – Maths
- Charli Tyler - Tutor

FROM THE PRINCIPAL Cont...

Welcomes

And we welcome some new staff members to the College (and there are likely to be more as we further explore replacements:

- Dean Burman – Learning Specialist - Humanities
- Sarah Cooper-Cooney – Learning Specialist – English
- Felicity Mills – Learning Specialist – English, Humanities
- Maarten van Erps – Maths & Science
- Charlotte Buller – Maths
- Anthony Gonzales – Maths & Science
- Mark Stacey – Maths, Science, Geography
- Enzo Wang – Chemistry, Science & Maths
- Maddy Carroll – English
- Chu-Lynne Ng – Theatre Studies
- Jack-Henry Attard – Maths
- Thomas Verco - Science
- Corentin Baratay—Lab Tech Assistant

Awards Evening

Our prestigious annual Awards Evening was held on Thursday 14th December at the Allan Robinson Courts and was once again a wonderful celebration of the high achievements of all of our students and those who are working at the top of their fields. See the following pages for a list of all award winners.

Wishing all families a happy and safe Christmas and New Year. We look forward to an exciting 2024.

Frances Ibbott
Principal

YEAR 9 CAMP

We did abseiling which was pretty different and really scary because you were ages up in the tower. There were random pieces of wood and steel beams running through the walls which made it seem we could fall.

Liam Schwabl 9F

I loved the food and the reflections at the end of each activity.

Bella Clark 9E

YEAR 9 CAMP

The cave challenge! Being in the dark and fumbling around underground was super fun. *Maddy Vecchiarelli 9C*

The breaking board thing was fun and put emotions into perspective. *Sophie Baldwin*

I like abseiling and the leap of faith.
Chas Woodward 9B

The mousse fight because it was fun to throw mousse at my friends.
Peri Nancarrow 9C

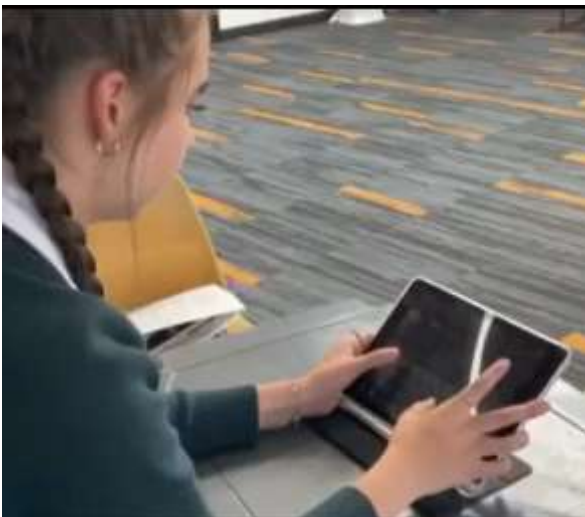

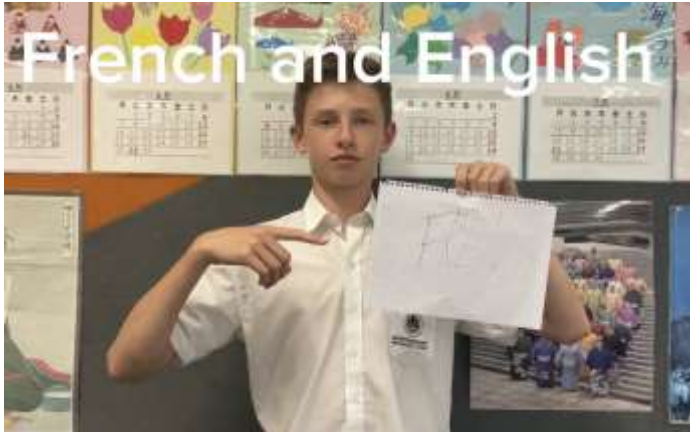

FRENCH NEWS

Bonjour

Term 4 was a fantastic term in the French faculty. Year 7 students studied French cuisine, designing some wonderful French menus and performing a role-play called 'Au restaurant.' In Year 8, the focus was on learning about school routines. As a result of this learning block, they created 'VLOGS' about their school life, which were very creative and funny. Year 9 learned how to compare childhood with their teenage years and created beautiful presentations about how their lives have changed since they were kids. Year 10 students concentrated on revising for their final exams.

We would like to say 'Merci!' to all our students for their hard work this year.

YEAR 9 OUTDOOR EDUCATION

Roughing it in the Otways

On an early Wednesday morning, the Year 9 Outdoor Education students packed half their houses into two trailers and made their way to the Aire River West campground in the Great Otway National Park.

When we arrived, we all set up tents. Except Mr Hunt, who, in true Mr Hunt fashion, instead put a singular tarp strapped to a few trees over his head and insisted it was comfortable. After we had all made ourselves at home, we ventured on the Great Ocean walk for about 10km. We stopped half way to swim in conditions way too rough. Mr Castles almost allowed a few students to drift out to Tasmania while laying blissfully unaware on the beach. After surviving our swim easily under Castles' eagle eye, we went to camp and feasted on a few burnt sausages in bread.

Day two saw us sightseeing the Twelve(ish) Apostles, lunching on the beach, taking a few hangers on Castles and a night walk before retiring into the one man (advertised two man) tents.

Day three saw us sadly packing up in the rain and heading home. We eventually arrived home for a well-deserved home cooked meal and warm showers.

Thanks to Ms Price, Mr Hunt, Mr McCoy and Ella Hoffman for keeping us safe. Oh ... and Mr Castles!

Hudson Lawrence 9A

Sunscreen **SUNSMART**

The sun's ultraviolet radiation (UV) can cause skin and eye damage and skin cancer. You can't see or feel UV. It can be scattered and reflected so can reach you even in the shade. Whatever the weather, when the UV is 3 and above, use all five forms of sun protection.

SLIP **SLOP** **SLAP** **SEEK** **SLIDE**

SPF
Sun Protection Factor. Choose SPF30, 50 or 50+.

Application
Apply a generous amount of sunscreen to any skin not protected by clothing.
Apply sunscreen about 20 minutes before going outdoors and reapply every TWO hours or more frequently if sweating or in water.

AUST L
In Australia, sunscreens are regulated by the Australian Therapeutic Goods Administration (TGA). Always check for the AUST L (Australia Licence) number.

Water Resistant
Four hours water resistance does not equal four hours UV protection. Always reapply after swimming.

Storage
To help keep sunscreen stable, store it below 30 degrees.

Expiry
Always check the date to make sure the sunscreen hasn't expired.

Broad Spectrum
Protects against UVA and UVB radiation.

Even when wearing a hat, apply sunscreen to help protect from scattered and reflected UV reaching the face, neck and ears.

DNA damage that causes skin cancer accumulates with repeated UV exposure. Apply sunscreen daily.

© sunsmart.com.au
© schools@cancervic.org.au

SunSmart

UV radiation is at its highest intensity from mid-August to the end of April in Victoria.

The Five Forms of sun protection are:

Clothing, Sunscreen, Hats, Shade and Sunglasses

Fun Fact: Most adults need 7 teaspoons of sunscreen for one application

Hay Fever & Asthma

Hay fever season in Melbourne runs from the start of October, peaks towards the end of November ending around 31 December.

Navigating both the hay fever season and Thunderstorm asthma events are helped by two essential apps.

The Melbourne Pollen App <https://www.melbournepollen.com.au/mobile-app/>

The Vic Emergency App <https://emergency.vic.gov.au/prepare/#thunderstorm-asthma-forecast>

During this season review your hay fever and asthma supplies, checking they are current and near at hand and any asthma plans are reviewed.

ADMINISTRATION OF MEDICATION TO STUDENTS AT COLLEGE

Medication is required by some students on a regular basis during the school day. When your child requires this support contact the College Nurse, Jo McNamara, at the General Office for advice or email Joanna.Mcnamara@education.vic.gov.au. Further information can be found in the [Administration of Medication Policy](#), on the College website.

Pain killers and antihistamines cannot be administered to your child as standard first aid. Every effort will be made to liaise with you to support your child at school with their health needs.

A [Medication Authority Form](#) must be completed for any medication administered at school and medication contained in the original package, within its expiry date is to be provided to the general office. Children with an asthma or anaphylaxis action plan are exempt.

Also, please ensure you advise the General Office of any updated details for emergency contacts.

Edition #1

BANYULE YOUTH SERVICES DISABILITY NEWSLETTER

December 2023 – February 2024

WELCOME!

We are proud to present the first edition of the **Banyule Youth Services Disability Newsletter**. We will provide quarterly updates about local services and free activities relevant to young people living with disability & their supports. Please reach out if you require any further information.

Acknowledgement of the Traditional Custodians

Banyule City Council is proud to acknowledge the Wurundjeri Woi-wurrung people as Traditional Custodians of the land and we pay respect to all Aboriginal and Torres Strait Islander Elders, past, present and emerging, who have resided in the area and have been an integral part of the region's history.

Inclusive Banyule Statement

Our community is made up of diverse cultures, beliefs, abilities, bodies, sexualities, ages and genders. We are committed to access, equity, participation, and rights for everyone: principles which empower, foster harmony and increase the wellbeing of an inclusive community.
