

MONTMORENCY
SECONDARY COLLEGE

28th November, 2024

Dear Parent/Guardian,

Montmorency Secondary College is looking forward to another great year of teaching and learning and would like to advise you of the College's voluntary financial contributions for 2025 (attached). These voluntary financial contributions are also available through the Compass payment portal.

Schools provide students with free instruction to fulfil the standard curriculum requirements and we want to assure you that all contributions are voluntary. Nevertheless, the ongoing support of our families ensures that our school can offer the best possible education and support for our students.

Montmorency Secondary College's School Council and Finance Committee work closely with the Principal Team and Business Manager to ensure that parental contributions are kept to a minimum and are affordable to families. The School Council and Finance Committee closely monitor all revenue received, and ensure it is managed appropriately and used for the purposes for which it is raised, to improve student outcomes and wellbeing.

We want to thank you in advance for all your support. This will make a huge difference to our College and the programs we can offer.

For further information on the Department's Parent Payments Policy, please see the one-page overview which is also attached.

Yours Sincerely,

Frances Ibbott
Principal
Montmorency Secondary College

Dannielle Smith
School Council President
